

Scavenger Hunt

Every year at the Kids' Tent we've offered some variety of Scavenger Hunt. We've designed this one to be possible at home, but not necessarily easy! Take your time, get creative, and have fun.

1. Find everything on the list and take photos of them. Labels are helpful so we know which item we're looking at! Go ahead and group multiple items in one photo when you're able.
2. Have an adult send all the photos (all at once please) to JessieGDAE@gmail.com by September 25, 2020.

One lucky winner will receive a prize.

The List:

Something you made

Something another person in your house made

A stapler

Obsolete technology

Souvenir or memento from a previous music festival (doesn't have to be Harvest Gathering)

A seed

A picture of a pet

Something from your fridge that's no longer edible

A feather

A coupon

Litter

Something you just learned

Something you feel

A red or yellow leaf

A mistake

An idea for next year's Scavenger Hunt
